videos of confirmed child pornography.

On 03/18/2025, I responded to

Upon arrival, I made contact with [redacted] at the front door of the residence. I explained the reason for my visit and confirmed the internet

[redacted] I asked [redacted] if [redacted] knew [redacted] from the [redacted] [redacted] advised [redacted] didn't but [redacted] was Logan Jenkins. I was able to confirm from the report that the [redacted] was also reported

[redacted] advised he was in [redacted] and invited me inside. I followed [redacted] to Jenkins' bedroom where [redacted] woke him. I identified myself to him and explained to him the details of the reports. [redacted] was also present while speaking with Jenkins. Jenkins denied the email address of [redacted], however, [redacted] confirmed it was his.

I was able to determine [redacted] phone to browse the internet. Jenkins reached [redacted] and it appeared he was attempting to delete items [redacted] device and he stated "I want to delete my Snapchat [redacted] the device from him to prevent the destruction of evidence. I then noticed Jenkins had picked up another mobile phone from under a pillow and he immediately began to manipulate the device. I also retrieved this device from him to prevent the destruction of evidence.

Jenkins then got up and walked out of the bedroom stating he was going to pass out. He walked down the hall into another bedroom and collapsed on the floor. [redacted] rendered aid to Jenkins and advised he was "on the spectrum". Jenkins was given some time before he returned to the living room and sat down on the couch. I obtained consent from Jenkins to search his mobile phones and I was able to quickly locate videos of child pornography on each of the devices. Both of the devices were identified as Samsung devices. One device had a purple case with a sticker on the back and the other had a black and gray case with a card holder on the back.

The mobile phones were seized by me and transported to [redacted] pending forensic examinations.
