TW This document contains the topics of: Transphobia, Racism, Manipulation, Cyber-Bullying, Sexism, Alleged Embezzlement, mentions of grooming & pedophilia

Hello to whoever will be reading this
(big shout out to you Kenny ;P)

Today we have a fine dish of cringe and incel energy from one Kendathki.
AKA Alura, AKA Ashley, AKA Ken Penders Jr

Our story begins not too long ago, a little manlet by the name of Kennydathky of the beautiful country of New Zealand. He has big dreams. Dreams of one day being in control, and what better way to get this is by lying, sexist, racism, transphobic, homophobic, the list goes on and on.

Recently, he claimed to be an ally of the LGBT. Joyous news as past behaviors and verbal assaults are being fixed. Becoming a new person and being a friend to those around him. Even coming out as Ace himself!

Tess – Today at 4:52 PM
I don't recall political topics allowed in your server, Ken. look at what Nicola posted in the memes chat.

Eru Aluran – Today at 4:52 PM
?

Tess – Today at 4:53 PM
some of the things Nicola posted looks pretty political to me. again, I don't recall that being allowed.

Eru Aluran – Today at 4:54 PM
i don't see anything other then weird crap and thats pretty normal for memes
[4:54 PM]
point out what one

Tess – Today at 4:55 PM
[4:55 PM]
you don't think that's a bit unfair to share things like that?

Eru Aluran – Today at 4:56 PM
i looked at all of that
[4:56 PM]
thats not pointing out what one like i asked you seem to think is breaking a rule

Tess – Today at 4:57 PM
LGTBQ related topics like what she shared should not be allowed.
[4:57 PM]
and last I knew, that's rule 4.
[4:58 PM]
plus, technically, LGBTQ+ is a political topic.
[4:58 PM]
they MADE themselves political.

Eru Aluran – Today at 4:59 PM
No political, religious, or sexual orientation/preference debates. is the rule

Tess – Today at 4:59 PM
and LGBTQ+ is under those political topics.

Eru Aluran – Today at 4:59 PM
dewie was not Debating, just posting a shit meme

Tess – Today at 4:59 PM
doesn't matter.

Eru Aluran – Today at 5:00 PM
reread the rule tess

Eru Aluran – Today at 12:55 PM
but its not, it made dewie more happy, thats like saying im miscable for coming out as Ace, i never felt better about having a name to what i am
[12:56 PM]

Good on you Kenny! We were so proud of our Ace friend! Nothing but love and support!

But I'm afraid, this was all a charade.

It all started when a beautiful artwork regarding trans kids was posted and afterwards deleted.

Started by his wife, a fight broke out and words were said. Protecting children? What children? There are no childrens in that server. The only child I see here is little Kenny and his wife spewing hate filled nonsense. What happened? What happened to the Kenny that defended his friend? Who accepted his wife as a Bi-Pan person and formed a Poly relationship with one LizzieRatcicle? No no, this will not do. Little Kenny fell in line with the nazi regime.

Before the end of April, user NikoalaKuma (known as Dewain) posted an image in Ken's server to promote the LGBTQ+

Keep in mind, it was perfectly fine to upload LGBTQ+ images in his server before, and had no issue with Dewain doing this either. Ken was ALSO aware for very long that Dewain goes by he/him and they/them pronouns. But this one image was enough to drive Ken off the wall and shut his brain off completely. The image would get removed, Dewain

would get scolded, and the following arguments ensued in the server.

April 29, 2025

 **Dewain** 🗨️ 🤔 🍷 ✨ 💜 4/29/2025 8:23 PM
Only message me from now on for gmod voice work
Or if its an emergency or admin work
Cause after certian shit
I'm done
I can't keep putting up with shit I can't tolerate
That's all I'm gonna say...

 **LizzieRatcicle** 4/29/2025 8:24 PM
What happened Dewie?

 **Deadketsu / Matt** 4/29/2025 8:28 PM
I hope it got deleted for a real reason and not bigot bs. Thought were passed that shit since the Tess situation

 **Dewain** 🗨️ 🤔 🍷 ✨ 💜 4/29/2025 8:29 PM
Post i shared got deleted cause it was "brainwashing children" when that's not true
Excuse me for wanting a world where trans people were accepting but I guess not....
I just need to keep my distance cause I'm sick of dealing with this in general (not just in here ive been trying to be distance of certian shit in general) cause I'm done

 **Dusk** 4/29/2025 8:30 PM
you did not give Ken a CHANCE to explain WHY
this is far deeper than you want to believe

 **Dewain** 🗨️ 🤔 🍷 ✨ 💜 4/29/2025 8:30 PM
I already know his reasons
I've heard it all before

Dusk 4/29/2025 8:30 PM

you only heard what you wanted to hear, Dewie
you need to really sit down, and listen

Dewain 🐼 🤔 🌈 ✨ 💜 4/29/2025 8:31 PM

you guys don't listen to me though
So why do I bother when I'm gonna get hurt
You just don't want kids being trans cause it's "grooming" and "sexual" that's bullshit

Dusk 4/29/2025 8:32 PM

because it IS grooming and sexualization!

Dewain 🐼 🤔 🌈 ✨ 💜 4/29/2025 8:32 PM

NO ITS NOT
Being lgbt doesn't always mean sexual

Dusk 4/29/2025 8:32 PM

yes in fact it does
have you not HEARD some of the trans stuff that has been exposed to kids at schools and libraries??

Dewain 🐼 🤔 🌈 ✨ 💜 4/29/2025 8:33 PM

So kids can't be their true selves and exist and be happy just like trans adults cause it's "sexual" when it isn't
It's just being the gender you want to be

 @Dusk have you not HEARD some of the trans stuff that has been exposed to kids at schools and libraries??

Dewain 🐼 🤔 🌈 ✨ 💜 4/29/2025 8:33 PM

You mean just happy simple stories and about being yourself
It's nothing to do with sex

 **Dusk** 4/29/2025 8:34 PM
the last story I heard that was targetting kids HAD FUCKING PORN IN IT!

 **Dewain** 🐾 🧐 🍷 ✨ 💜 4/29/2025 8:34 PM
Where's proof of it?
[@Realmwars](#)

 **Dusk** 4/29/2025 8:34 PM
LITERAL SEXUAL ACTIONS THAT KIDS SHOULD NOT EVEN KNOW ABOUT!

 **LizzieRatcicle** 4/29/2025 8:35 PM
Whoa, whoa

 **Realmwars** 4/29/2025 8:35 PM
Are there any minors IN this group?

 **Dewain** 🐾 🧐 🍷 ✨ 💜 4/29/2025 8:35 PM
Like what?

 **Dewain** 🐾 🧐 🍷 ✨ 💜 4/29/2025 8:35 PM
No

 **Dusk** 4/29/2025 8:35 PM
this chat is secure
no minors

 **Realmwars** 4/29/2025 8:35 PM
Then how would that image brainwash kids in a server with no minors in it?

 **Dewain** 🐾 🧐 🍷 ✨ 💜 4/29/2025 8:35 PM
I know Adams nephew kept asking but Ken said no

 **Dusk** 4/29/2025 8:36 PM
I need to look up the video of the guy that was reading that trans book

 **LizzieRatcicle** 4/29/2025 8:36 PM
Let's not start a fuel of fire and because Adam's nephew is still a minor
And plus, this server is for adults only

 **Realmwars** 4/29/2025 8:38 PM
Because the thing is I saw the image Dewie was refering to. And there isn't anything sexual with the image but in hopes of enforcing accepting people of different genders.

And being trans is related to gender identity. Not sexual. (edited)

 **Dusk** 4/29/2025 8:44 PM
Realm, the issue that we have is that the spoken trans community is trying to make kids believe they are not what they are born as, that their assigned gender is wrong long before they are even taught basic biology, not to mention sexually related topics that should be kept in high school sex ed classes'
also
animals cannot be trans
that is a literal impossibility

 **Realmwars** 4/29/2025 8:45 PM
Ok but why would posting the image be wrong here if there are literally no minors?

Realmwars 4/29/2025 8:58 PM

But none of that is what Dewie is doing here. They just shared an image to show acceptance towards those in a queer relationship in a server with adults.

This is making it sound like Dewie just straight up shared CP when he didn't. (edited)

Aluran 4/29/2025 9:01 PM

i want dat hat
also my server my rules, no more woke shit
end of topic
all it does is cause fights

Arr0w / Adam 4/29/2025 9:03 PM

Yeah, my nehpew isn't in here anymore. It's just for his safety.

Aluran 4/29/2025 9:04 PM

plus we got bjorn who likes to cling to his mother

For anyone who needs context for the image above, this man is Shane Jones. A New Zealand politician whose been accused of being racist and xenophobic. Being put on record of saying "Send the Mexicans Home" Doubled down by saying "It's a Mexican standoff." and reciting Donald Trump ideology. So basically someone Ken can relate to. Ironic given Ken's tendencies of wanting people to refer to Trump as "Ronald Dump"

Realmwars 4/29/2025 9:04 PM

I'm just sick of seeing Dewie constantly have to keep having this fight just for posting something lgbtq+ because it's ridiculous.

I can agree that kids having these talks is iffy, especially since it can get into the topic of sexual discussion which they shouldn't be involved in.

But we're a server of adults. No kid is being forced into a discussion they shouldn't be allowed to be listening to.

Deadketsu / Matt 4/29/2025 9:05 PM

Welp if we're going back to the hatefilled pro nazi trash then this server is cringe to me lol
Protect trans kids, trans rights, fuck Elon and trump and fuck countries who wanna follow his cult sounding ways

Dusk 4/29/2025 9:06 PM

as Ken said, our son likes to cling to me, and I tend to be in here a lot, even if I don't say much

ArrOw / Adam 4/29/2025 9:06 PM

I'm not entirely against kids for wanting to learn about these type of topics. But I do think they need to focus on their childhood first before they consider getting involved with those kind of communities and whatnot. (edited)

Realmwars 4/29/2025 9:07 PM

Then here's the thing. If your son is looking at these kind of subjects you just tell him "You'll learn when you're older" and click off the room the topics are in.

Aluran 4/29/2025 9:07 PM

no
im gonna fight to end this woke crap
time for nz to man up
and as i said end of topic

Realmwars 4/29/2025 9:08 PM

Funny how we literally detached from Tess because of this

Deadketsu / Matt 4/29/2025 9:08 PM

Was thinking the same thing. How long till you invite her back?

Aluran 4/29/2025 9:09 PM

not like i was friends with nicola anyway
havent been for years

Deadketsu / Matt 4/29/2025 9:10 PM

So what are your asexual was an act?
Legit question

Dusk 4/29/2025 9:10 PM

what does this sound like to you guys?
"we're here, we're queer, we're coming for your kids"

Aluran 4/29/2025 9:10 PM

no just me realizing its a mental disease

 **@Dusk** what does this sound like to you guys? "we're here, we're queer, we're coming for your kids"

Realmwars 4/29/2025 9:10 PM

Literally none of us here have said this

Aluran 4/29/2025 9:11 PM

its in videos on youtube

 **@Dusk** what does this sound like to you guys? "we're here, we're queer, we're coming for your kids"

Deadketsu / Matt 4/29/2025 9:11 PM

Sounds like one too many videos on the wrong side of YouTube

Aluran 4/29/2025 9:11 PM

nah just the right side of youtube

Deadketsu / Matt 4/29/2025 9:12 PM

The Nazi side

Aluran 4/29/2025 9:12 PM

the only ones with any common sense left (edited)

Dusk 4/29/2025 9:12 PM

that chant was the first thing I heard from the trans side that actually made me cringe

Realmwars 4/29/2025 9:12 PM

I don't care if it's in other videos. Literally none of us here have said these things.

We may support queer communities but none of us here have made these remarks towards minors in any capacity

Like yeah people decide they wanna make videos being predators? Fuck em with a bullet. But don't lump us in with those freaks

Dusk 4/29/2025 9:14 PM

we aren't, that's putting words in our mouths

Realmwars 4/29/2025 9:14 PM

You basically did to Dewie

Deadketsu / Matt 4/29/2025 9:14 PM

Facts

Aluran 4/29/2025 9:14 PM

you mean nicola (edited)

she did that to her self

i had warned her many times to stop posting that crap in my server

Realmwars 4/29/2025 9:15 PM

You were completely fine with it before.

Aluran 4/29/2025 9:15 PM

till i came to my senses

Realmwars 4/29/2025 9:16 PM

What senses? That being a bigot is ok?

Aluran 4/29/2025 9:16 PM

that i reject pc crap for morality

Realmwars 4/29/2025 9:17 PM

So you look at someone whose done nothing wrong with themselves, share a harmless image and reject everything about them? The fuck kind of morality is that?

But what about you being asexual? We at least accept you for that.

Aluran 4/29/2025 9:18 PM

im not a self reproducing life form

Aluran 4/29/2025 9:25 PM

im not having woke shit in my servers, thats final.

Realmwars 4/29/2025 9:25 PM

Then consider me woke

Deadketsu / Matt 4/29/2025 9:27 PM

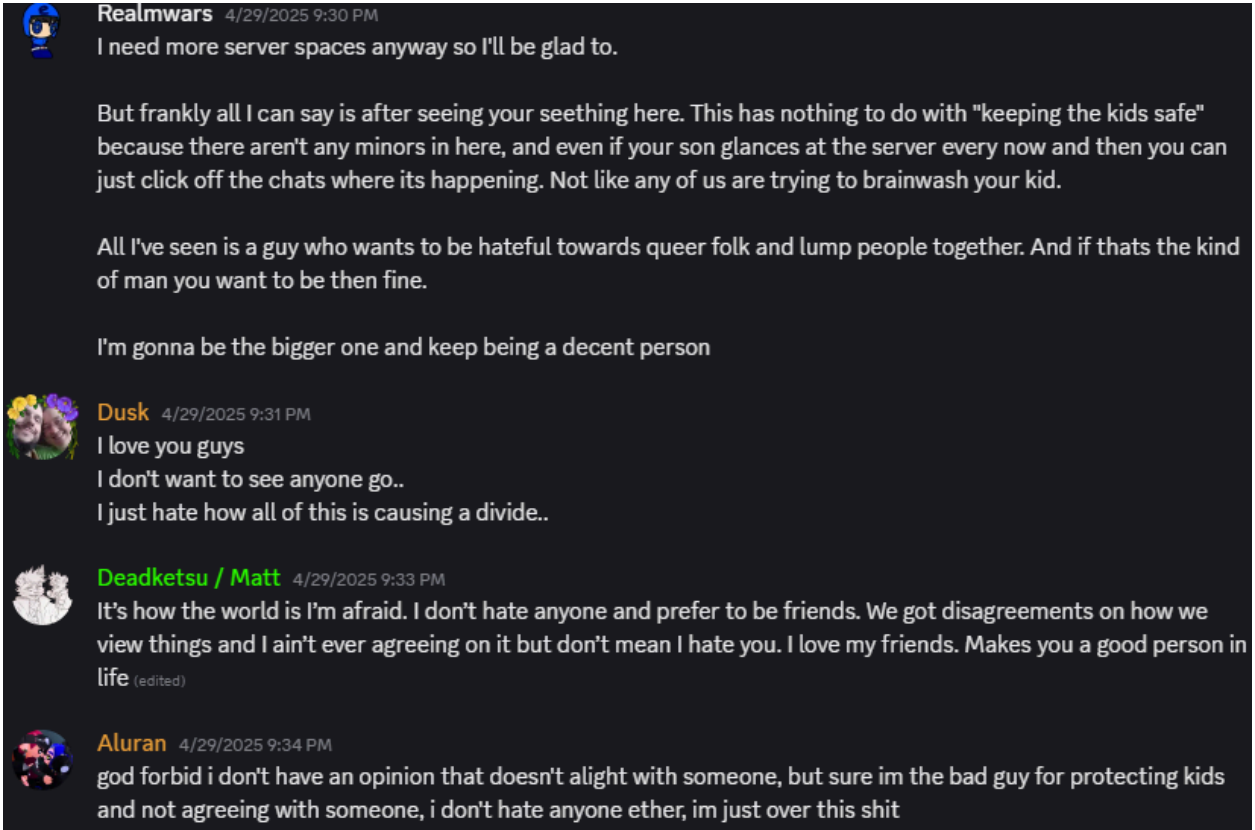

Same here. I used to be a piece of shit years ago but learned it's not worth being so hatefilled. I wanna be happy and let others be who they wanna be. If that's wrong then kiss my ass. World is a big shithole, gonna protect the little things about it

Aluran 4/29/2025 9:28 PM

you also free to leave

not like you got a gun to your head or anything

For added context, they believed the image was grooming because of a recent New York City Pride March, where it was believed one person in the crowd chanted the phrase "We're here, we're queer, and we're coming for your children." Completely ignoring the fact that news coverage talks about how it was only ONE person in the march who said this, and not the entire crowd. As the rest were ACTUALLY chanting "We're here, we're queer, we're no longer shopping here." but leave it to Kenny to not actually research anything, because he thinks he knows everything.

Nevermind the fact that you CAN talk to children about being transgender without the topic being sexual. Wouldn't be surprised if he thought Transgender and Transsexual meant the same thing which they don't. Being trans is simply being a person who identifies as a different gender than what you were born with. Which is not sexual in the slightest. But again, leave it to Kenny to be arrogant enough to not bother actually researching topics he has no business talking about.

Despite the arguments made towards Ken and Melissa, it would result in Dewain getting banned from the server for doing literally nothing wrong.

But it didn't stop there. Our dear friend Kenny loves to appeal to the Splatoon Community. A community that is very open to LGBT themes and its members. This angered the Kenny. But little Kenny wanted to be with the community, even raised

money for LizzieRatcicle to leave her abusive home. Money provided by those in the Splatoon Community. Is this the guy you want to give your money to?

Now let us dive into some lore. Little Kenny has already made an impact in the Splatoon Gmod Community. How did he do this? Why bullying of course! Constant online assault under a fake name (too scared to confront them yourself?).

JoeyFlyBoy and VannaMontana106. Two Splatoon content creators and once friends of Kenny's now new waifu LizzieRatcicle15.

Claiming the user Goblnats is a member of his other GTA RP group, the Pale Riders.

This is Ken. The mannerisms, the insults, all matching Kenny's behaviours.

The screenshots given of Joey were shared due to a previous issue with the Splatoon Gmod Community. One Ken was a part of. And one Ken took full advantage of, disrespecting the one who provided the screenshots to help with his case.

Ken again claims this is "the brothers".

But the poor sod forgot, you can see the EDIT button for the profile in the screenshots.

About the twitter part, there were some posts that became spiteful, including Dex. Dex is no better for his own actions. However, my thread about my experience with Clauds was more mature and more evidently. At first, I didn't want to do it considering the fact that I supported this so called friends for year. But after hearing what she did to Vanna several months back, I had no choice (edited)

And about Clauds rely on Ken, she needs to know that she needs to fix her own problems herself and not let people do it for her

Oh Kenny. Is this the behavior you want to encourage to the Splatoon Community? The very community that provided you funds to help Clauds? Speaking of which, whatever happened to that money anyway??

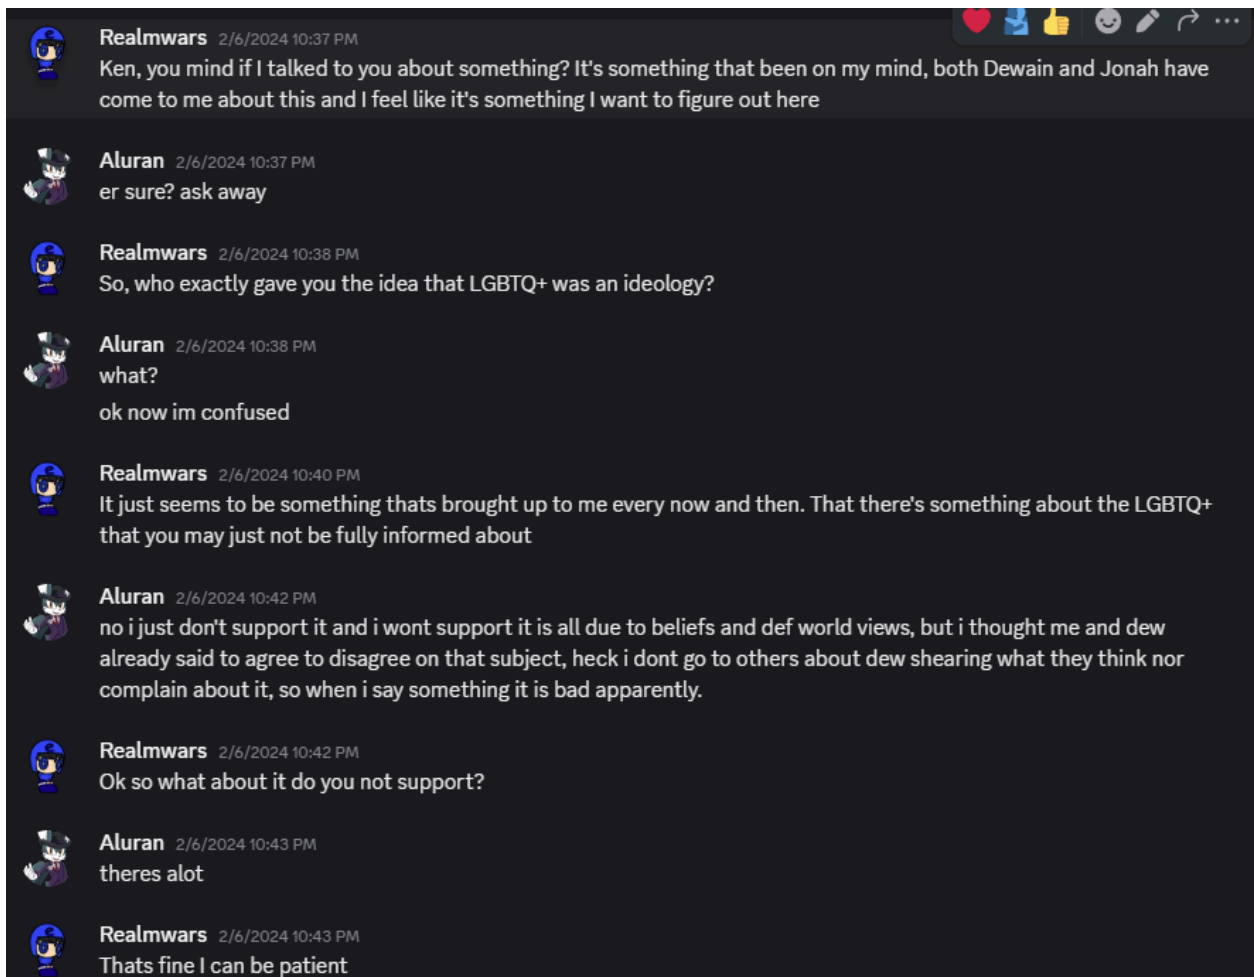

Comes to no surprise that our dear little man is a racist as well.

“BUT I'M NOT RACIST! I HATE EVERYONE!” he says.

Hate to say it dear Kenny. That still means you're a racist. Holding more hate for a specific group and their causes still marks you as one.

Black Lives Matter, young Kenny believes this to be a “hate group”. Terrorists even.

Mixing in his hate for the LGBT before “changing” as shown above. Accusing Trans-Gender Individuals as being pedophiles.

rights that they already have as their humans

Realmwars 2/6/2024 10:49 PM

Ken the reason they're fighting for those rights is because they've been having them revoked. Some businesses, corporations, and even other people have discriminated them specifically for being queer.

Hell some people have actually been killed just for being queer.

Aluran 2/6/2024 10:50 PM

where has that happened?

Realmwars 2/6/2024 10:50 PM

America. In general.

Aluran 2/6/2024 10:51 PM

well honestly they should be treated as everyone else has been.

Realmwars 2/6/2024 10:51 PM

Then you do support what they're fighting for.

Aluran 2/6/2024 10:53 PM

no i dont but everyone has the same rights as they are humans too i can support them as ppl but not what they stand for as i told dewie that.

shit if religion had its way they would be getting stoned to death

witch is just fucked

Realmwars 2/6/2024 10:54 PM

Ken. You just said you think these people should be treated as human beings. That is something they stand for. Therefore there ARE aspects you respect.

Aluran 2/6/2024 10:54 PM

i stand for human rights
something everyone has

Realmwars 2/6/2024 10:56 PM

Yes everyone has them or SHOULD have them. But some groups of marginalized people aren't given that respect they're entitled to.

Black Lives Matter was a whole movement that was speaking out about how poorly black people have been treated, and to give a specific example about queer people. Texas is actually trying to pass a law where parents can be charged with child neglect for allowing their child to be queer.

Aluran 2/6/2024 10:57 PM

dont support that one ether
its a hate group thats like saying i support the kkk

Realmwars 2/6/2024 10:58 PM

So you acknowledge this treatment is bad and shouldn't happen.
You support this is something queer communities are fighting against
But you still want to say you don't support the community in general?

Do you not see the contradiction?

Aluran 2/6/2024 10:59 PM

dude i hate this community with a passion

Realmwars 2/6/2024 10:59 PM

Clearly you don't hate it enough if you can agree the discrimination they face is unjustified

Aluran 2/6/2024 11:00 PM

again i suport their rights as humans but its also my right to hate them too for dragging kids into their shit
i just wish i knew where it comes from

Realmwars 2/6/2024 11:03 PM

Ok so THATS where it lies. Alright I can put this in a better light for you.

So, there are times where children are asked to explore themselves, but it's A. not always in a sexual manner and B. responsible adults keep it BETWEEN kids. It's why we have age of consent laws so children can explore their sexualities with each other in their age range

Aluran 2/6/2024 11:03 PM

dude i knocked out a tranny for just walking behind me
witch is the strange part as one of my friends is as gay as you can get
hell my wifes bi
nether seems to set me off

Realmwars 2/6/2024 11:06 PM

I think it's because you don't have the best idea for trans people. Because they identify themselves as a different gender than what they were born as.

Which fun fact we actually do have study that sex and gender are two different things

Aluran 2/6/2024 11:08 PM

yeah its that kind of crap i hate the most
putting dumb ideas like that into ppls heads

Realmwars 2/6/2024 11:08 PM

Ken. We have literally proven there is a difference between someone's sex and someone's gender. How is that putting dumb ideas into people's heads?

Aluran 2/6/2024 11:09 PM

their is only two end of story

Realmwars 2/6/2024 11:09 PM

<https://www.plannedparenthood.org/learn/gender-identity/sex-gender-identity>

Science says otherwise

Sex and Gender Identity

There's more to gender than sex assigned at birth. What's biological sex or assigned sex? What does Female, Male, and Intersex mean?

Aluran 2/6/2024 11:10 PM

science done but idots (edited)

Realmwars 2/6/2024 11:10 PM

And what are your credentials to say?

Aluran 2/6/2024 11:10 PM

my fists to their face

its morons like thatwitch allow sickos to touch kids

Realmwars 2/6/2024 11:12 PM

No. That is BEYOND wrong. Research like this aren't what allow for creeps to touch kids.

In fact LGBTQ+ have literally made stands to say pedophiles are not apart of the community because pedophilia is NOT a sexuality. Hell being trans has nothing to do with being sexual

Aluran 2/6/2024 11:12 PM

i just wish i had the ability to lock them in a gas chamber

see what i ment by hate

Realmwars 2/6/2024 11:13 PM

Here's what I am seeing then.

You don't hate queer people. You hate pedophiles. And guess who else despises pedophiles. The queer people who reject pedophilia as a sexuality. And they will NEVER be seen as part of the community regardless how much they say they are. (edited)

Aluran 2/6/2024 11:16 PM

i still want to gun them down

Realmwars 2/6/2024 11:17 PM

Then do so towards the actual problems. Not those who are trans trying to fight for human rights, not for the queer sexual who also fight for human rights.

Focus on the pedos who the community also want to send to the electric chair.

Aluran 2/6/2024 11:19 PM

there all the same to me

i want to destroy any sickofaint i find, yet i care enough about their fucking human rights, im stuck at a fucking cross roads and i cant pick one or the other

hell might as well tell you

i told the others

i HATE AKNOLAGING THIS

my anger and hate is deep rooted into shit that happened to me as a child realm

shit that is hard to say muchless type down

thoguht telling others would make my anger die down

but its only gotten worse

Realmwars 2/6/2024 11:23 PM

Ken you're thinking WAY too hard on this because you have this idea in your head that LGBTQ+ leads to pedophila when thats not the case my guy.

Gender identity or sexual preference doesn't lead to pedophilia. Hell, Dewain is a trans man and doesn't pray after children right?

Aluran 2/6/2024 11:24 PM

it happened to me realm!

this anger and hate is a damn poison that spreads to everything else and i dont like it

but my logical side wants me to care for their rights as humans first and for most

Realmwars 2/6/2024 11:25 PM

Ken. Could you read what I'm saying because it feels like you're not paying attention to what I'm saying

Aluran 2/6/2024 11:26 PM

i know dewie aint!

i never said dewie was one

i never said dewie was a pedo

i know dewie

Realmwars 2/6/2024 11:27 PM

I know. Thats my point. You can acknowledge that despite Dewain being a trans man isn't a pedo.

The point is you are capable of separating the two, and that's a good thing.

I will apologize if this conversation got you heated. You're a protective parent and thats a VERY admirable quality and your kid is lucky to have someone looking out for them the way you do.

I just wanted to put this out given that I KNOW Jonah's server is a LGBTQ+ safe space for a number of people, and I know they wouldn't appreciate their identities and human rights being disrespected even as a joke.

But now that I know where the issue comes from. I can assure to you pedophiles have nothing to do with the community and what they fight for. Because a pedo can be anything. Trans, straight, gay, lesbian, bi whatever. A pedo is a pedo and they will never be acknowledged in our circles.

You CAN support te LGBTQ+ while also despising pedophiles. I mean, hi I'm here.

Aluran 2/6/2024 11:35 PM

funny thing is i have never done or said anything to the others in jonahs server, its just dewie that seems to have a problem with me

Realmwars 2/6/2024 11:36 PM

Well probably because when it comes to transpeople Dewain is the only one you really talk to

Aluran 2/6/2024 11:36 PM
i talk with vanna

Realmwars 2/6/2024 11:37 PM
And do you misgender Vanna at all?

Aluran 2/6/2024 11:37 PM
i just call vanna by name

Realmwars 2/6/2024 11:38 PM
Alright. Because I know Dewain sometimes has issues with being misgendered and it's something I know bothers them a ton.

Aluran 2/6/2024 11:43 PM
my deep seeded hate for sickos comes from what happened to me as a child and my own family said im a liar, that anger seeps into everything to be 100% honest with you at times i wish it was gone, dont lol to hard but im trying to dive more into the ways of the jedi, ignoring my past and just wanting to hang out and chill,

Realmwars 2/6/2024 11:44 PM
Ok.

Because the thing is, Dewain's issues with being misgendered ALSO comes from a sicko. A certain manchild that damn near groomed them at 16 years old.

Does the name Spax3 ring any bells? (edited)

Aluran 2/6/2024 11:45 PM
o yeah
knew that one

Realmwars 2/6/2024 11:46 PM

So Spax has HEAVILY traumatized Dewain for the smallest things, being an absolute creep towards them, and even tried to say Dewain doesn't belong in the LGBTQ+ community simply because of a prank they were apart of.

That prank being making a fake dating profile for Spax that said he was interested in gay men.

Worst part is the prank NEVER happened but he refuses to let it go despite Dewain constantly apologizing and asking if they could do anything to fix things.

Yeah the same 25+ year old guy who prayed on a 16 year old and asked a teenager for nudes felt making a gay dating profile for him was crossing the line (edited)

Aluran 2/6/2024 11:50 PM

that sounds about right

i remember dewie talking about how much they hated them

Realmwars 2/6/2024 11:52 PM

So whenever Dewain gets misgendered they can't help but remember the abuse they used to face as Spax's hand and it puts them in a bad place. It's also why they have a hard time describing their feelings for people, because you had to walk on egg shells just to appease this psychopath, and even that wasn't guarantee. (edited)

Dewain does need improvement on telling people his issues if they have any I won't deny that.

But I'll say that given the treatment they went through and the trauma thats still with them, just have a bit of understanding and patience with them, and reassure them they're allowed to be honest with you.

Aluran 2/6/2024 11:57 PM

i am trying

not as closed minded as i once was

Realmwars 2/6/2024 11:58 PM

Trying is better than nothing

Hell a lesser person wouldn't bother trying

Aluran 2/7/2024 12:01 AM

i also wish i could just magic away this temperament of mine
it would go along way

but for now learning to meditate seems to help

its just here in nz they dont have to fight as they have the same rights as everyone else and no one cares what you are, being treated as a decent human comes first

Realmwars 2/7/2024 12:02 AM

Well, I'm not a therapist by any means. But I will say I won't tone police how you feel about certain freaks. You're entitled to that and I will gladly hand you a gun at the sight of a pedo.

The important thing is if you ARE gonna be angry. Be angry at the right things.

Aluran 2/7/2024 12:03 AM

i really, REALLY HATE pedos man before i was a dad and even more so now

Realmwars 2/7/2024 12:04 AM

And by all means hate them and wish they play in traffic.

Aluran 2/7/2024 12:04 AM

but ill keep trying

Realmwars 2/7/2024 12:04 AM

Thats all I ask, thank you

Aluran 2/7/2024 12:05 AM

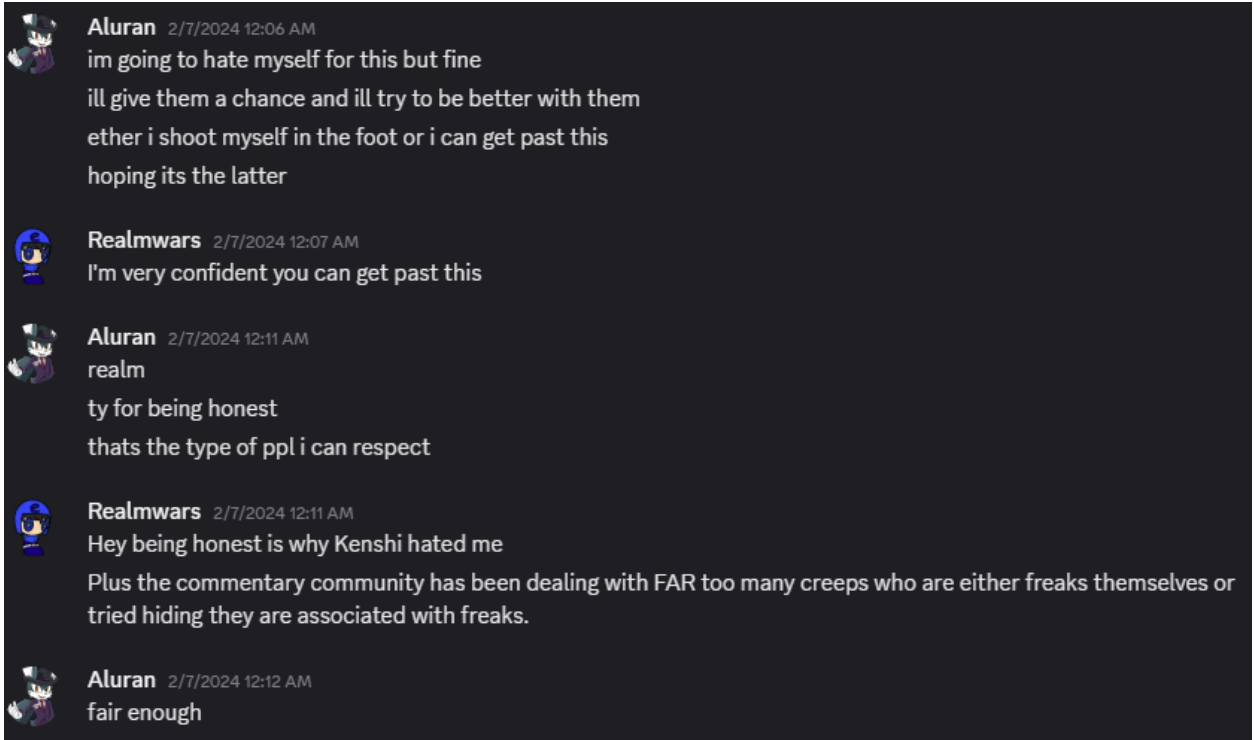

hell my wifes bi after all

never had a problem with gays or bis just the third one

Realmwars 2/7/2024 12:05 AM

I can also say this, I'm surrounded by tons of people who are trans, non-binary, gay, lesbian, and what not. If there's something about people within the community you don't understand you can just ask me and I'll gladly inform you

“BUT THOSE ARE TAKEN OUT OF CONTEXT” Kenny screams out at the top of his lungs.

Context you say? Well how about we just listen to you say it from your own mouth?
Sounds like context to me.

<https://youtu.be/c7FW433DUUA>

<https://youtu.be/PjVF76xnxL8>

Also of course leave it to Ken to think scientists who actually study the subject aren't a credible source of information. Because he's shown NUMEROUS times how qualified he is to talk about these things. There's that arrogance in action again.

Also if we can go back to calling BLM a hate group? A group that exists specifically to show the law enforcement's blatant oppression of black minorities? To show people the mistreatment they get for just existing? To get people to see how they're wronged? How in the world do you get HATE group from that? And even crazier is the off handed comparison to the KKK. A literal group of nazis who made it their duty to kill black people.
This is like comparing fire to water.

How ANYONE can take Ken seriously on these topics when he shows NO knowledge on these subject matters is beyond me. You can literally learn these things with a simple google search and he can't even muster that effort.

Here's another thing I don't get young Kenny. Why do you want to rally people up to fight people? They say not to harass or engage in online harassment. Whether it's intentional or not. It seems you want people to fight your battles for you.

The real apology letter

Dear Lizzitheratcicle15,
I am VERY TRULY sorry for harassing you. Hope you'll forgive me because I have been such an idiot and now I have finally stopped being a manchild and a doxer of people. The reason I am posting this is that I want you to know that I have felt a lot of shame, and I know this saying is true.
from
PRSPAYER02
PS, real secondary fact I'M NOT A CRIMINAL! I'm your real boyfriend that is also a huge fan, trying to punish Kendathki by burning him for his crime of stealing you from me, and for the record, I was thinking after that punishment for him, you would help me and my favorite rock band Chevelle make a song based on that which would be similar to a song by Linkin Park and make a video. Please forgive me and respect me for this? because I am for real now, honestly.

Aluran 4/18/2025 2:17 PM

I would like to take the opportunity to say

DO NOT HARASS OR ENGAGE

Our little Kenny may be the human version of spoiled pizza.

But never follow this type of behaviour.

Sending others to do your fighting for you. Such a low Kenny. You either hide behind another username, too scared to truly show who you are.

But this wouldn't be the first time this happened now would it?

What about your once called best friend? DarkDayton?

Dayton is a good man. Flawed in some ways but aren't we all? What matters is how we move past it and grow. Grow to be a better person. Learn from the mistakes of the past.

You see, it's not too wise to be so close to Kenny. He loves to take advantage of one's talent. Especially when they are better than him.

This is a section I like to call: Ken Penders Jr. AKA Echidna Jesus

Kenny and Dayton were once great friends. The Chewie and Han Solo of Sonic. Dayton

made some great OCs over the years. OCs in Sonic, Megaman, Mortal Kombat, DC, and Marvel. But Kenny, he likes them big, powerful, godlike. Flaws? I don't think so! The two would argue, day and night. Dayton would have an idea, Kenny would push them down. ALL down. Whether they fit in the world or not, they do not meet Kenny's standards of character creation. You see, Dayton didn't have much. A long and complicated past of hardships over the internet broke him down. But Kenny was there, several friends were there to pick him back up. Dayton could trust Kenny with anything and took his advice from time to time.

But Kenny. Well. He's Kenny.

Aluran 12/8/2024 12:38 PM

Name: Kendathki

Master hand to hand combat

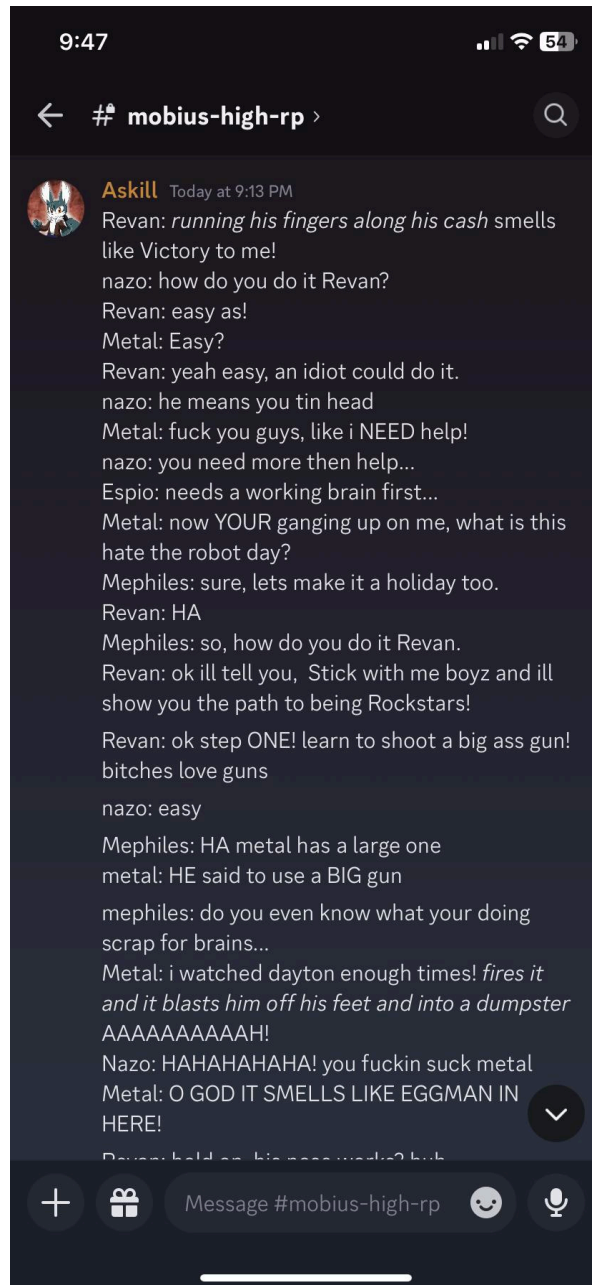

Agent seven is forbidden to use his powers by Callie and Marie (edited)

Example of the level of OCs Kenny would create. Didn't think you needed all those for a simple turf war, do you?

If it didn't meet Kenny's standards for RP then it must be scrapped and changed. Little to no freedom was allowed, now others were fine, but Dayton had it the toughest. Multiple restrictions, constant changes in the world with reset after reset. "You're not allowed to be with X as a girlfriend."

Sadly these interactions have been lost to time. The server these occurred in has been long purged by Kenny.

Except for one moment. Kenny channeling his inner Andrew Tate. This occurred in December of 2023

Sometime later, Dayton left the server. Tired of the mental abuse caused by Kenny. Eventually making his own server. Free to let his own creations and stories run wild. Slowly inviting those he can trust into the server. Those who are close to Kenny but will remain friends to Dayton. As he was forced to cut himself away from that friend group. One day Dayton let his anger out, wanting to vent it all out finally so the world can know.

Dayton 3/11/2025 8:01 PM

I have something I wanna get off my chest.... Tonight, I stood my ground against family drama again. I felt like it was a test of my strength in character. Now lately, my heroes had either fallen or turned bad. Which has given me reason to think of what I should do or look to for moral decisions.

So now I can honestly say for certain. That I will NOT apologize for standing up for myself and for what I believe in! I will not grovel to appease anybody if they don't like how I talk, or don't like the way I am!

There are still people in my life that have earned my trust, and that is you guys. Some of you I am still getting to know, but my friends have always been on the internet. I know it may seem pathetic to some people, but I don't care! We don't get to pick who likes us or who don't. But I do not regret joining the internet in 2006, and having you guys as my friends has given me enough reasons to live and thrive.

My strength in character, comes from my Honesty. My physical strength comes from my Rage. My strength in my soul comes from sheer determination and those 3 things define the person that I am! But most importantly, what gives me the additional strength to go on living is the friends I have in my life.

SO I WILL NOT BEND A KNEE OR RENDER MYSELF A SNIVELING COWARD FOR ANYBODY, EVER AGAIN!!

Over 10 years ago, I was a depressing wretch, because I had given up on everything, including myself. Though some people have done their best to get me back on my feet, the journey was still mine to make.

And now...By what just happened tonight... I haven't felt this strong about things in years. I'm Acing my classes again this semester, I'm a Yellow belt in Taekwondo, and I'm looking to accomplish more.

I choose to feel like I've triumphed, because I have a family member who wants me to be as miserable as they are. I'm not having it! I am more determined to follow through things than Frisk in Undertale!

But I will apologize for filling up the channel with my ramblings, when this channel is for everybody. Not just me.

Dayton 5/1/2024 9:00 PM

I am doing my best not to cry. I just want to talk to someone. I built this server to have a fresh new start and to have new friends to talk to. For the most part it's worked. There is activity, The Circle is Firm, there is a setting for each roleplay.

But the voice channels don't get used.

Ken said once that I'm a miserable sad excuse of a man, because of how lonely I am.

Dayton 5/13/2024 2:06 PM

Ever since Sibyl ended our friendship and Amy left me. My life began to fall apart since then, and those 2 tragedies have unfolded a set of others like a Chain-Reaction. To be fair, I had a lot of growing up to do and I just wasn't around the right people to do so. I dated numerous girls online while being a completely different person at the time. I had hidden myself away from everybody because I was afraid of the hate that was spreading, I was afraid of the people pissed off at me, I was afraid to face the truth that I fucked up in various ways.

When Corruption of Randomness happened. I thought it was the end of the line for me and that it was time for misery to sink its deathly claws into me. That was when I had started to hang out with Kendathki. To punish myself for the things I did.

But when I had moved out the first time in real life. I thought I could finally fix myself properly. But I was still hanging out with Ken and Melissa, trying to keep my sanity and keep telling myself that they were the only friends I had left.

But deep down, I knew better and ignored that feeling (edited)

and so. I tolerated, argued with, did many things with them over the years in hopes to redeem myself. In some ways I did redeem myself by learning about myself bit-by-bit.

Recently, as you all know. I've finally broke away from that chokehold. I had realized that I had redeemed myself a long time ago, and I was being exploited as a person and as an Asset.

So here I am, running a server for the first time. Trying my best to make it fun and interesting, being remarkably patient with everybody while trying to be supportive, roleplaying what awesome ideas I've kept to myself for so long, buying my own commissions, playing video games, watching videos on youtube, trying to find something to hold onto to take my mind off my biggest problems right now

Dayton 5/13/2024 2:21 PM

That I've wasted 10 years of my life with an Arrogant, Emotionally-insensitive Kiwi, That I was too stupid to grow up quicker and couldn't keep even 1 relationship, I have absolutely NOTHING TO LOOK FORWARD TO, That my future looks FUCKING BLEAK, That I'm obviously doing something wrong if the activity here is diminishing, That my love life is Dead, That hardly anybody is supporting me the way I try to support everybody else, THAT I WASTED MY TIME AND MONEY ON A THE SAME ASSHOLE FROM NEW ZEALAND WHO EXPLOITED ME ALL FOR HIS OWN FUN AND CREATIONS!, THAT THE VERY PERSON WHO INSPIRED ME TO DO STUFF HERE TO BEGIN WITH IS GONE FOREVER AND MARRIED TO MY WORST ENEMY, THAT I WAS STUPID TO BELIEVE THAT SAME ASSHOLE WAS A BEST FRIEND, THAT I HAVE ABSOLUTELY NOTHING THAT A GUY NEEDS TO MAINTAIN HIS RESOLVE!!!

This is why I stopped making videos. I'm at the point where I am struggling to care but holding on by a thread.

(edited)

But if there is one thing roleplaying as Glacier has taught me.... Is that quitting accomplishes nothing.

So even though things look bleak for me. All I can do now is keep trying to hang on.

That at this point. Kendathki would expect me to come running back to him. But I'm not

Because I have all of you.

Matt / Deadketsu 5/13/2024 2:24 PM

here for ya man, glad to see you got this outta your chest so far

Dayton 5/13/2024 2:25 PM

Honestly, for real though, I don't think Ken would expect you to run back to him. He's quite glad that you're trying to manage things on your own

Dayton 5/13/2024 2:26 PM

But considering everything I've been through. can any of you blame me for being the way I am?
maybe, maybe not

Dayton 5/13/2024 2:28 PM

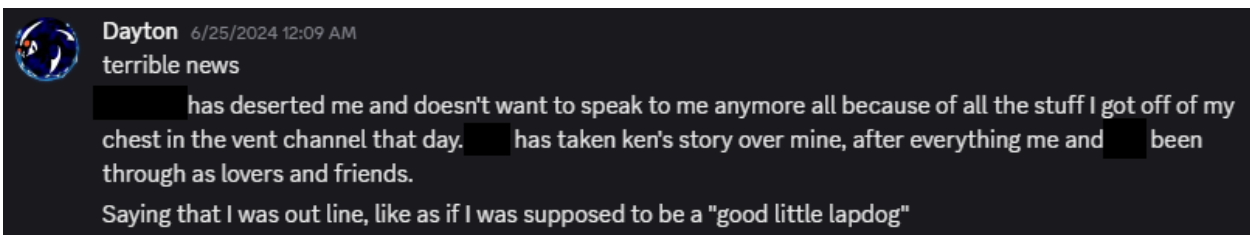

Buddy, I've been talking to him and fighting with him before we even started talking, dude. But that's not the point.

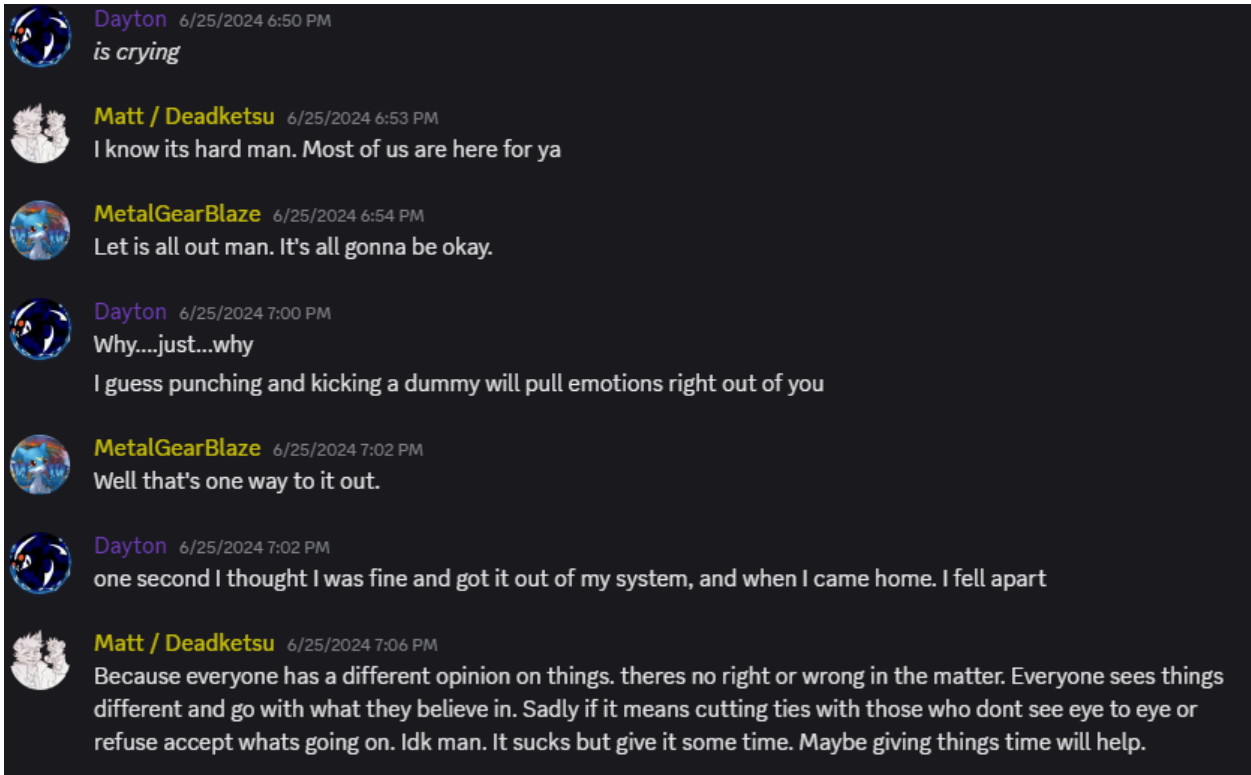

This Server. The things I'm doing now. The new people I've recently begun talking to. Is probably the only thing I have left to hold onto.

So despite the emotional crisis. my resolve remains strong

Unfortunately, a friend within that server contacted Kenny. Shared all this venting on him. Something that should remain private, what happens in venting stays in venting. But saying anything bad about little old Kenny is a big no no it seems. Dayton lost another friend that day.

So what's the appropriate response for something like this hmm? Should Kenny apologize and make amends? Or simply leave things alone? If Dayton wants to no longer be friends then let him be. Right?

Wrong.

Ken needs to be held accountable. The longer he's allowed to put on a facade of being a decent person, the more chances he has to hurt others. He wants to act like a big tough guy, smarter than everyone, better than everyone, then we'll let the public decide how he is. DO NOT LET HIM HAVE HIS WAY! The only way you beat narcissists like Ken, is you call their actions out. If you see ANYTHING that's worth noting you need to tell someone. Or else he'll try to hide it and pretend it never happened or blame someone else. DO NOT GIVE HIM THAT CHANCE!

These comments were made using Dayton's DuelBook account. Something Dayton had access to but Kenny helped set up the account as well. Assumed to be a hacker afterwards but this had the markings of our dear little boy Kenny.

These posts were shared on multiple DuelBook accounts. To Kenny, his wife Melissa, and Dayton'

there is no winning against you in arguments or roleplaying. The Playboy thing was the final straw, The fact when you roleplay, you don't consider how those around you would feel about the things you do. Like your willing to give me advice, but left me to rot in your world when you yourself win every time,

you came along and ruined everything for me, from 2008 till i dropped your ass, my relationships went down hill the year i meet you, so i can blame everything on you, the pain of losing all the women that cared for me, the friends i once had, my fame, my titles, all my powers and forms, if you never joined us in the spriting days i would be a big time youtuber by now, leader of the sonic community.

Especially with Ken confirming with people that Dayton was hacked, this raised FAR more questions. Because if this was just a random hacker, why would they know such specific information about Ken's and Dayton's relationships? Either this hacker did some underground research on Dayton or this has to be Ken as he was the only other person capable of logging into his account.

Tell me Kenny? This make you feel like a big man?
"BUT SQUIDS!!" You say, "THIS ISN'T ME!! THIS IS ALL FAKE!!"
Well.

PROVE IT

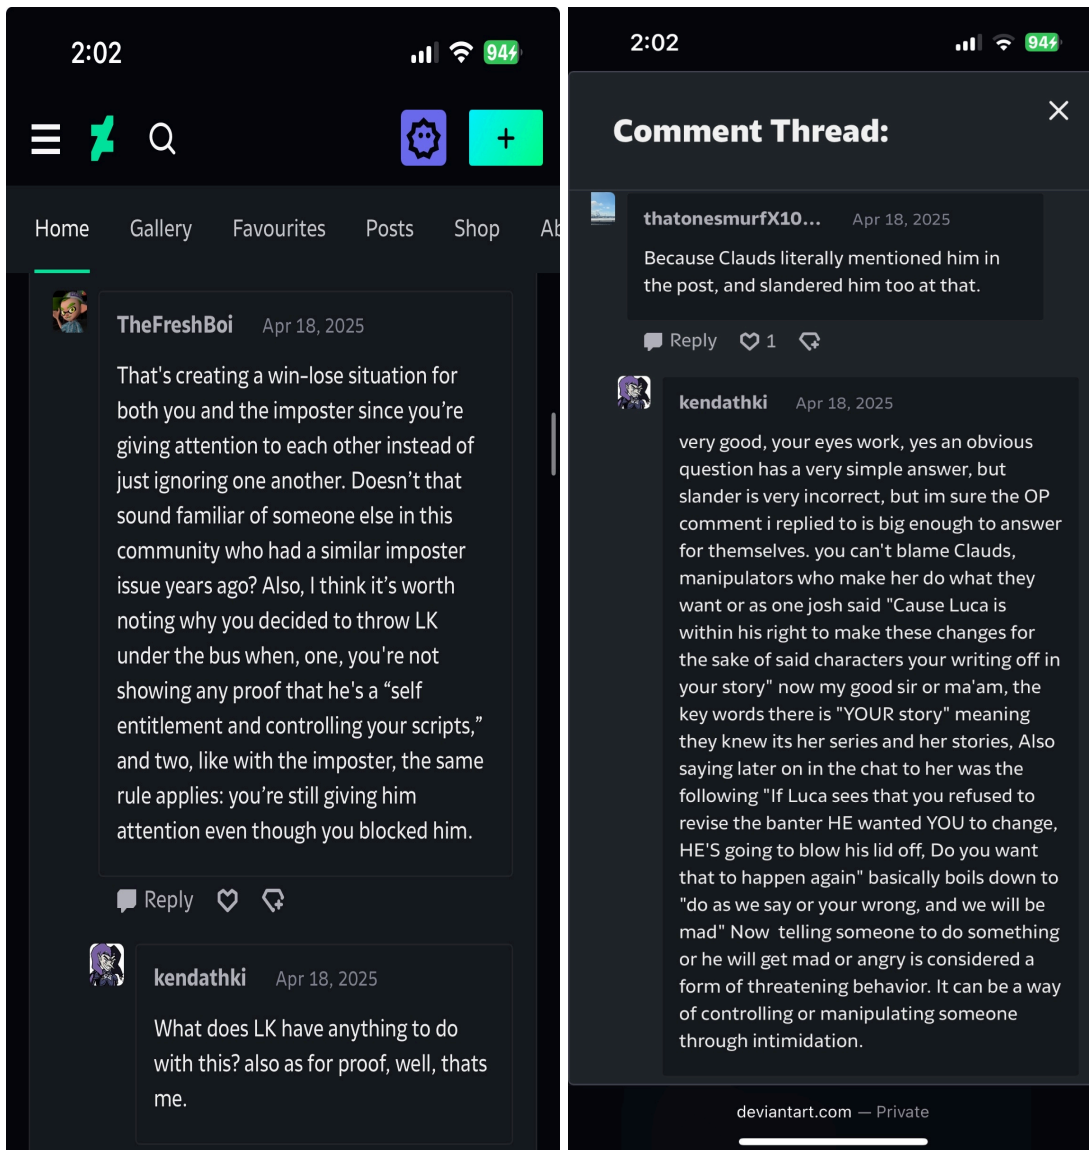

Show me what a real man would do huh? Don't send your friends, your brothers, your fans to make responses from you.

I want to hear it from the source.

Ask your loyal GTA RP group if it was you.

Prove that Dayton really wrote those comments.

And don't you go blaming Joey and the gang for triggering you to act. Because we got the receipts, Joey wasn't the problem. You wanted Clauds all to yourself.
