This is not the promised google document about Stargiant Productions. That comes later. This document is about things that we have learned in recent days that the investigation team and I believe are important public knowledge revolving around Star Giant/Ryan Kruleski.

Addressing My Abuse had five different testimonies plastered throughout. I've spoken about most of them, or at least their contributors at this point, with one exception - that being from Jed0Bread/Jed3Bread, also known as Jenny. Her testimony was largely chopped in half, and so I didn't think she was largely relevant to talk to.

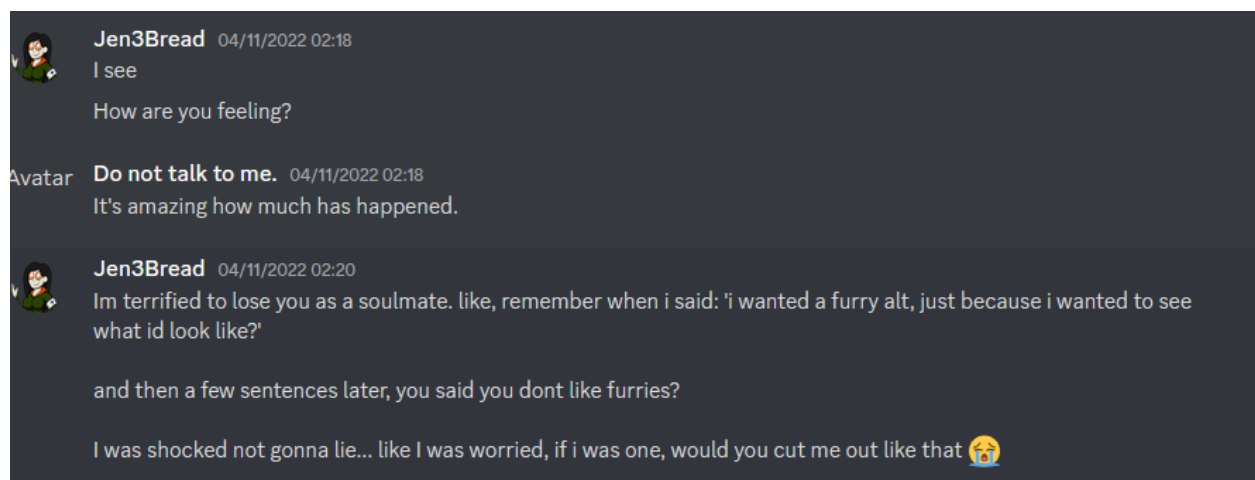

We were able to get ahold of her DM's with Ryan, both through her main account and an alt, BynkGin. She gave them to us willingly. That fact is going to sound weird as we go on, but you have my assurance that they were given willingly.

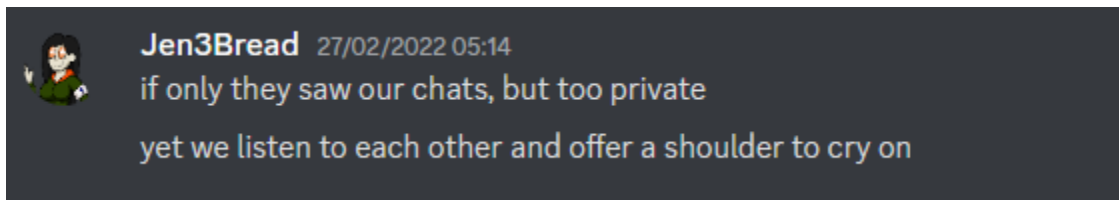

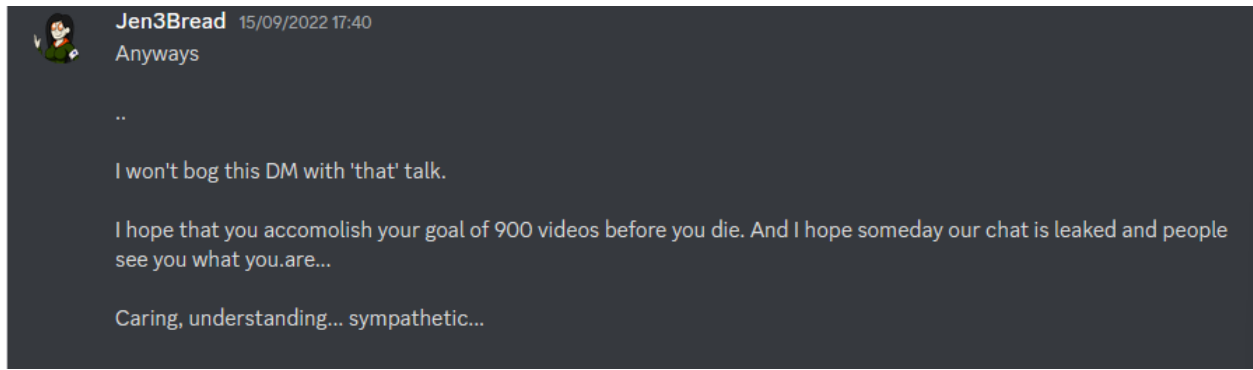

These DM's were given shortly after the March video. Why did it take us this long to get to them? Simply put, we had a lot of other data to get through. And these DM's were a lot more data about a character who didn't immediately seem relevant. By a lot more data, I mean the DM's would have been 2000 pages and 800 pages respectively, with over 10,000 messages sent. Over the course of only 3 years. 97 percent of the messages sent on the 2000 page DM's (Jen3Bread) were sent over the course of 2022. Most of the time, when we tried to open the DM's, they even forced our web browsers to crash.

Even then, it took me personally three days to scroll through the messages slowly to find most relevant information and I'm not even done yet. For someone who seemed not relevant at all, reading these DM's, seemed to be Stargiant's second in command. They talked about *everything* - super shocking things - to the point where a lot of it reads as an emotional affair. Jenny literally calls them "Soul mates"

The team and I are quite disgusted with this Jenny person. They did give us the DM's willingly after the March video. But, they contain information about everything regarding to Stargiant that they sat on until that point. Stuff that we took years to learn. Stuff that we didn't even know yet. Stuff that makes Ryan Kruleski far far worse. To the point where it's become the greatest mystery of all why the DM's were given at all.

Unless she is still as delusional as she was in these DM's and thinks this was some kind of defense for Ryan. Also, not that the dates matter for this document, but keep in mind that Jenny is from the UK and the dates read: day-month-year

So, let's go over what we've learned in the Jenny DM's

Pedophilic Thoughts

Jen3Bread 11/02/2022 01:29

im not even high and that blows my mind

Do not talk to me. 11/02/2022 01:29

I'm really glad that I stopped all my sexual desires for minors when I did.

Jen3Bread 11/02/2022 01:29

i didnt even go on that walk

Do not talk to me. 11/02/2022 01:30

I heard that people that get thoughts for children often grow up being abused.

I wonder if me constantly being abused by my brother could have contributed to me having inner demons.

Jen3Bread 11/02/2022 01:31

well imagine being taken advantage off and thinking as you grew, maybe this is okay to do? (edited)

Do not talk to me. 11/02/2022 01:32

There are some things that I saw that my brother once had on his laptop that were questionable. Unfortunately, I've never been able to prove it.

It was a long time ago.

Do not talk to me. 11/02/2022 01:33

Same here.

I just still have fears of what COULD have been me. What if I went through with that [REDACTED] thing? What if I asked for minors to show their vagina and penises? I couldn't even forgive myself for thinking that.

Do not talk to me. 11/02/2022 01:42

I see.

So yeah, my inner demons and the horrible people that I hear of on the internet is why I choose to only talk to adults on the internet for the rest of my life.

 Avatar **Do not talk to me.** 11/02/2022 00:39

You're welcome.

In my younger years, people tried to manipulate me on this kind of stuff.

I thankfully never followed through. Because if I did, I would be in prison by now.

 Avatar **Do not talk to me.** 11/02/2022 00:43

XD

In my younger years, the term "pedophilia" was never a thing I thought of back then. Now I think of it all the time now to prevent myself from talking to minors. Because I hate pedophiles. And I don't want them having sex with children or seeing children genitalia.

Jen3Bread 11/02/2022 00:44

Amen.

 Avatar **Do not talk to me.** 11/02/2022 00:45

I still remember this one group of people that nearly tricked me as an adult in wanting to have sex with a kid.

I am not stating who though. Because I obviously never went through.

 Avatar **Do not talk to me.** 11/02/2022 01:01

I don't remember the first half of my life. And the time that I was sexually harassed was a blur.

I'm worried about the things that I did during that "Blur."

 Avatar **Do not talk to me.** 11/02/2022 01:04

A lot of times, I wanted to kill myself so that I wouldn't hurt anybody.

It was most effective in 2019.

And since the Enter thing, it seems to have returned.

 Avatar **Do not talk to me.** 11/02/2022 01:36

I hope they're healing me too.

I am serious when I say that I never want to fuck a minor.

But I am also saying that I used to almost want to.

Avatar **Do not talk to me.** 11/02/2022 00:35
As much as I'm not a fan of Mr. Enter anymore, I at least listened to his advice in terms of child pornography.
And I do believe that saved me.

 **Jen3Bread** 11/02/2022 00:35
i knew you were gonna bring him up... because...
dont get me wrong, i believed it back then... a minor hooking with a hot teacher... thats not dark, thats an adam sandler movie

Avatar **Do not talk to me.** 11/02/2022 00:35
Yep.
00:35 But it was this:
"Arial is 16. Seeing her genitals is illegal!"

 **Jen3Bread** 11/02/2022 00:36
not in the uk
but fuck the uk's law

Avatar **Do not talk to me.** 11/02/2022 00:36
And then I more or less thought "I'll never see anyone's genitals under the age of 18."

 Avatar **Do not talk to me.** 11/02/2022 01:25
I remember when [REDACTED] was a minor, I had a thought of moving in with her. And maybe even having sex with her. But I then I stopped and said "THIS IS WRONG! I CAN'T GO THROUGH WITH THIS!"
So I told her to stop talking to me for a bit.
And we did.
Then I talked to her again when she was 18.

 **Jen3Bread** 11/02/2022 01:26
you're pretty brave saying that to me...

 Avatar **Do not talk to me.** 11/02/2022 01:26
I'm being serious about my inner demons.

 **Jen3Bread** 11/02/2022 01:26
i know, and this is a serious convo thats why i aint jumping the gun, im waiting first (edited)

 Avatar **Do not talk to me.** 11/02/2022 01:26
Even when someone says "All is forgiven." I still have those fears.
Some people only stop when they get caught.
Like every Chris Hanson episode.
Or that one Playstation guy that wanted to have sex with a 15 year old.

 **Jen3Bread** 11/02/2022 01:27
i remember 2 episodes, 1 was before the sting police operation when they let the predator go (to which the same predator was caught again)
the ohter was someone they felt so bad for they didnt air the episode

 **Avatar** **Do not talk to me.** 15/02/2022 00:55

Please don't talk to me about pedophilia again. It's disgusting. I'm not a pedophile. I won't have sex with minors. I never saw any child pornography. I never asked a minor to have them share their genitals with me. It's gross.

 **Jen3Bread** 15/02/2022 00:57
same here, i hate them and the topic too

 **Avatar** **Do not talk to me.** 15/02/2022 00:57
Agreed.
00:57 Any "Urges" that I have had are in the past. This is why I only talk to adults for a reason.

Avatar **Do not talk to me.** 01/07/2022 06:19

The episode where Nina turned into a giantess. (Shut up! I was 18 in high school and didn't know better!)

Jen3Bread 01/07/2022 06:19

Avatar **Do not talk to me.** 01/07/2022 06:19

It wasn't.

But I did like it.

Right.

I remember this one minor that I once talked to feeling suicidal if I didn't talk to them.

Jen3Bread 11/02/2022 01:22

was it [REDACTED]?

Do not talk to me. 11/02/2022 01:22

So I kept talking to them. Because I can't think of myself having a child kill themselves.

It might have been?

I forget who.

[REDACTED] was someone that I had to stop myself in time for something.

Because I was worried with myself what would have happened if I didn't slam the brakes.

Jen3Bread 11/02/2022 01:23

2 sides of me come out when it comes to someone being suicidal.. theres the part that says to talk them out of it, NO
MATTER WHAT, even if you're almost sleepy tired...

and the other side, is if they blackmail you with their suicide to that, i shut the door and walk away

It kind of reminded me of this one event that I barely remember with this friend of mine. This was years ago. I think I was 19 and they were 18. They were really into the CMC, and ESPECIALLY Diamond Tiara and Silver Spoon! We did RP's with them.

One of them, I think, had me ejaculating to them. To make them grow? I think that's what the person wanted.

This was a very long time ago.

So I sadly don't remember all the details.

Japan's consent law is 18 just like in America.
It DOES have acceptions like 13! But that's only in CERTAIN TIMES! But even then, you have to
a. Be a Japanese citizen living in Japan. And
b. Be under 20 years old.

Jen3Bread 16/03/2022 03:41
I guess monsters just see the exception and think they qualify. Nope

Avatar **Do not talk to me.** 16/03/2022 03:41
See, the reason why the 13 law exists is because Japan has a population problem.
As in, they're not getting ENOUGH people!

I'm someone (showing article.) that has to go online to learn about different racial culture to even BEGIN understanding racism in media. Because I grew up in a far right leaning white family that made me once think that a black person was dirty and waited until I was 8 years old to explain to me that there are different races than just white people. Surgical castration is... Well the snip.

Now they will have reduced motivation depression, stress, anxiety... they will need help after castration...
But honestly, if a NOMAP can do all of that, they deserve their peace..

she's getting spite

 Avatar **Do not talk to me.** 27/02/2022 04:53

Yes.

Well...I don't know the full story.

That's not important right now.

Jen3Bread 27/02/2022 04:53

niether do i

 Avatar **Do not talk to me.** 27/02/2022 04:53

What matters is that the victim came to me tonight.

Out of random.

And started saying hate comments towards me.

And Dar accidentally talked to the victim too early.

We were gonna word things right to make sure I didn't fuck up anything. But it's too late on that regard.

Her name is Lily by the way.

Jen3Bread 27/02/2022 04:55

but, we didnt know the full story, and had some sort of team bias

besides, you disassociated eventually so, how bad can this be rn?

 Avatar **Do not talk to me.** 27/02/2022 04:55

Well, she called me out just an hour ago.

And I've been panicking for the past hour.

Jen3Bread 27/02/2022 04:56

but then how can this be fixed?

04:56

we JUST got over the previous stuff

 Avatar **Do not talk to me.** 27/02/2022 05:02

That's why I'm actually a bit mad at Dar right now. But I can't tell her that.

She made the statement public. Even though I was advised to wait.

Jen3Bread 27/02/2022 05:02

impulsive decision

i feel like if you did, she'd go on a rant about how she fucks stuff up...

but she does need to know as well why its best to wait on stuff... only when you have all the facts.

 Avatar **Do not talk to me.** 27/02/2022 05:05

Right. Too be honest, I still don't know the full side of both Rei and Lily.

All I know is that Rei manipulated me, and it's why Lily won't forgive me.

And keep in mind, both Grace AND Hope actually forgave me with my apology video.

I just need to give her space to think about things.

She might be questioning if her love of loli art is good.

(It's not.)

Only the white fairy duni...

Avatar

Yeah.

So either what she said is a lie. Or she was pressured.

I believe the latter.

Some people have a hard time taking criticism.

Jen3Bread 08/06/2022 01:30

You got me

As mentioned a week or so back... I was in tears reading thr critique... but I NEEDED to hear it..

And you had to be blunt because its important.

Avatar

Do not talk to me. 08/06/2022 01:31

Her last message was "Femboy hooters I really love."

And this was AFTER she was told to not post that art.

I'm mad at Fairy Duni. Or sad? I'm confused.

Jen3Bread 17/06/2022 22:50
Idk.

Ah

Avatar **Do not talk to me.** 17/06/2022 22:51

I hate loli art for a good reason.
It's basically child pornography in art form.

That's not a family if they're making you "choose."

The investigation team and I have come to the conclusion that the most likely reason that Sean Sohr was removed was Jed0's family saw what was going on and threatened to cut off their internet. Ryan was willing to forgive Sohr *even after the bikini photo was posted*.

A Potential Second Grooming Victim

You might have noticed that none of these screenshots came from the BynkGin account. That's because I haven't gone *through* it yet. All of these are from the *first* of the two sets of DM's. I'm not even finished with the Jen3Bread DM set.

However, the next move with our team is to try and contact this other potential victim and get their side of the story. That seems immediately important.
