Hey boo. The thing is I have to wear what I do in public because I left my wife and drained our bank account. That is why when I got doxxed it was such a huge problem. It was a disaster. I want you to destroy them

Hello, I need your help with a stalker. He lives in a medical high rise across the street from your building.

His name is Kenneth Chookhachian. He is currently on YouTube slandering me. He has been stalking me for years now! He is dangerous and out of control on drugs.

Here is the link to the live stream he is currently on. If you need his exact address, you can message me directly. I do have it after he threatened to send his cousin, Raul, to beat me up. Please help! 🙏🙏
